

Permission to Drive a Personal Vehicle for
Co-Curricular Activities

The following rules apply to all student drivers:

- Drive in a safe and orderly fashion to and from destinations
- Park in rows that will not block anyone from moving their vehicle.
- Allow buses to have the right-of-way at both arrival and departure times.
- Willingly serve detention(s) as assigned by instructors if tardy to class due to transportation situations.
- Refrain from going to your vehicle during class time, unless given permission by the office.

I acknowledge that driving/ridding in a personal vehicle is a privilege and not a right. That privilege can be revoked at the discretion of the school administration.
