

## Accessing Lexia Core5 Reading At Home

Dear Kindergarten and 1st Grade Parents,

Lexia Core5 Reading is an online reading program that your student uses at school.

### **From a District owned Chromebook:**

1. Log into the Chromebook with the Quickcard.
2. Click on the Core5Lexia icon on the ClassLink landing page.

Lexia can also be used at home on a personal device.

### **Personal device directions:**

1. To use on a computer or Android tablet, go to [www.lexiacore5.com](http://www.lexiacore5.com)
2. To use on an iPad, download the free Lexia Core5 Reading app from the App Store. (iPad support is limited to these devices: iPad 4+, iPad Mini 3+, iPad Air+, and iPad Pro.)
3. The first time your child uses Core5, you may need to enter the teacher email. You may look up your teacher's email address using the search feature at <https://www.cb-schools.org/domain/48>
4. Your child can then log in with the username and password used at school and listed below. Username: Use Student's 6-digit Student ID Number Password: Use Student's 6-digit Student ID Number
5. It is important that your child works without any help while using Core5. All of the work your child does at home is recorded and reported to school. The program will provide your child with assistance if it is needed.
6. If you have a question about your child's username or password or teacher's email address, please contact [helpdesk@cbcsd.org](mailto:helpdesk@cbcsd.org)
