

Hello 3rd Grader!

These are the directions for you to work on science at home. Please use this checklist as a guideline for science. These activities are similar to what would have been completed during in school sessions. Some of these can be looked up online through your student ebook! The links for the online activities will be found on Class Link. Email the CBCSD Help Desk at [helpdesk@cbcsd.org](mailto:helpdesk@cbcsd.org) if issues arise getting logged on. The steps to get logged onto your ebook are at the bottom of this document.

### Unit 6 - Earth Science

HMH Unit 7, Lesson 1 - How is Weather Measured?		
✓	Pages	Activity/Description
	403	Can You Explain It? *Additional videos/information are found in the ebook
	404-405	Exploration 1 - What's It Like Out? *Use the ebook if possible - it has videos and interactive parts to see!
	406-409	Exploration 2 - Weather Gadgets *Use the ebook if possible - it has videos and interactive parts to see!
	410-412	Hands-On Activity - Analyzing Weather Data *Do if you have access to a rain gauge, wind vane, and/or thermometer *Possible question to investigate - What patterns can I see in weather over time?
	413-416	Exploration 3 - Weather Everywhere *Use the ebook if possible - it has videos and interactive parts to see!
	417-418	Discover More - Seasonal Patterns
	419-420	Lesson Check

HMH Unit 7, Lesson 2 - How Can We Predict the Weather?		
✓	Pages	Activity/Description
	423	Can You Explain It? *Additional videos/information are found in the ebook
	424-427	Exploration 1 - Time and Temperature *Use the ebook if possible - it has videos and interactive parts to see!
	428-431	Exploration 2 - A Year of Change *Use the ebook if possible - it has videos and interactive parts to see!
	436-438	Exploration 3 - Predicting Weather *Use the ebook if possible - it has videos and interactive parts to see!
	439-440	Discover More - People in Science and Engineering
	441-442	Lesson Check

HMH Unit 7, Lesson 3 - What Are Some Severe Weather Impacts?		
✓	Pages	Activity/Description
	445	Can You Explain It? *Additional videos/information are found in the ebook
	446-449	Exploration 1 - Cause and Effect Weather *Use the ebook if possible - it has videos and interactive parts to see!
	450-453	Exploration 2 - Using the Data *Use the ebook if possible - it has videos and interactive parts to see!
	457-460	Exploration 3 - Reducing Risk *Use the ebook if possible - it has videos and interactive parts to see!
	461-462	Discover More - Careers in Science and Engineering
	463-464	Lesson Check

HMH Unit 7, Lesson 4 - What Are Some Types of Climates?		
✓	Pages	Activity/Description
	467	Can You Explain It? *Additional videos/information are found in the ebook
	468-475	Exploration 1 - Out of Place *Use the ebook if possible - it has videos and interactive parts to see!
	479-481	Exploration 2 - Something Different *Use the ebook if possible - it has videos and interactive parts to see!
	482-484	Discover More - Not a Match
	485-486	Lesson Check

EBook Directions
<ol style="list-style-type: none"> <li>Go on Class Link.</li> <li>Click on the HMH icon it looks like this →</li> <li>Log in using the following information: Username: Your full email (ex: jrosenberg776@cbcsd.org) Password: cb plus your 6 digit student ID number (ex: cb414776) If you do not know your student ID, you are able to see this on PowerSchool. Email <a href="mailto:helpdesk@cbcsd.org">helpdesk@cbcsd.org</a> if you have any issues.</li> <li>You will click into the same unit and lesson as your student book. [Use the ebook whenever there is an 'explore online' icon in your book!]</li> </ol>
